SPECIAL EVENTS TEAM (SET) VOLUNTEER DESCRIPTION

The Special Events Team (SET) consists of a group of volunteers dedicated to helping children and families by providing support for FBB's fundraising events. FBB's Volunteer Coordinator will communicate event opportunities and shifts with the SET for FBB's annual fundraisers, family nights, luncheons and special projects. Once the team receives an email about an opportunity, each individual can confirm his or her interests and availability. SET is designed for volunteers who have busy schedules and need more flexibility. SET volunteers commit only if interested to dates and events aligning with their schedules. By joining the SET, you can help ensure event support costs are minimal so funds raised go directly to the support of children and families.
