## Privacy Statement

Family Building Blocks is committed to maintaining the privacy of our website visitors and donors and protects the confidentiality of your personal information. This includes name, address, financial information, and email address. We do not share, sell, rent, or trade information about our donors and other contacts.

We do not collect personally identifiable information from you unless you provide it to us voluntarily and knowingly. The personal information you provide is utilized to process your donation, to register your attendance at an event, or to respond to any information requests you may have. If you provide personal information, we may enter that information into our constituent database and contact you in order to provide you with more information, including Family Building Blocks newsletters and event invitations, or to request voluntary time or monetary contributions to Family Building Blocks. You may request to be removed from receiving electronic news, printed news and solicitations at any time by contacting the development department.

Donations made through our website are secure and protected by the latest in SSL encryption. All personal information provided to us is stored in secure databases. Our employees are educated about the importance of safeguarding your information and are subject to a confidentiality agreement that mandates specific measures to protect donor and constituent confidentiality.

Donor anonymity will be respected if requested. Please contact us if you would like to review the personal information we have collected from you or to request any corrections.
