FEATURED BREWERY

JOIN US FOR UNCORKED REVELRY & LIVE, MAY 29 & 30, 2026 AT BRYN MAWR VINEYARDS

Uncorked Revelry is held Friday and features Oregon wineries, breweries, chefs, handcrafted cocktails, a silent auction, and more. Saturday evening, **Uncorked Live** boasts a luxurious three-course dinner and live auction offering exclusive experience packages. Since 2008, this beloved annual event has helped **raise over $6 million to prevent child abuse and neglect in Marion and Polk counties.** Children are born and family dynamics change every single day. **When families bravely ask for help, we are there.** Because of fundraisers like Uncorked, we are able to partner with children and families facing overwhelming life circumstances and offer the most **specialized, critical, and voluntary supports at no cost.** We believe every parent wants to give their child the best possible start in life. We are the only organization of our kind in our community. **The foundation our dedicated teachers and home visitors lovingly provide to families lasts for generations.**

GROWING NEED

Children and families cannot wait. For every family enrolled in our programs, there are at least three families who remain unserved who are asking for concrete supports.

COMMUNITY IMPACT

Our Therapeutic Classroom, Home Visiting, and parenting education services benefit over 1,300 children and 850 families in Marion and Polk counties each year.

GENERATIONAL IMPACT

Annually, 99% of children in our prevention programs remain living safely with their families, avoiding foster care and the devastation of abuse and neglect.
